

REMARKS

It is noted that the Amendment to the Specification made in the September 2002 Amendment failed to specify the location in the Specification which is being amended and failed to add the α (alpha) and β (beta) notations when the small squares were deleted.

This Supplemental Amendment corrects the oversight.

Action on the merit is requested.

Dated: 11/18/02

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Warren Whitesel", written over a horizontal line.
